Filed:

LETTER

April 15, 2005

Honorable Commissioner of
Patents and Trademarks
Washington, D.C. 20231

It is noted that the subject application has been officially allowed on March
31, 2005.

However, the Notice of Allowance does not specifically indicate receipt of
the Priority Document.

In this respect, it is noted that the subject application is a continuation
application of U.S. Letters Patent No. 6,782,973 and that the Priority Document was
received in the parent application.

Accordingly, priority should also be acknowledged in connection with the subject application.

Respectfully submitted,

Michael J. Striker
Attorney for Applicant
